Comprehensive, Affordable Employee Benefits for Growing Companies

Business Health Trust can help you create a benefits program that attracts talent and keeps your employees healthy and productive – at a budget you can afford.

With our small group community-rated option, small businesses have ultimate flexibility, with a variety of medical plans to choose from and the option to include additional insurance products.

Medical

Kaiser Permanente medical plans are offered to employers with up to 50 employees, offering scalable, competitive benefits for even the smallest companies. Employers with 10 or more employees can even offer multiple plans subject to minimum participation requirements.

- Choice of two Kaiser Permanente provider networks: Core and Access PPO
- Choice of four plan tiers: Bronze, Silver, Gold and Platinum
- Option of HSA and non-HSA plans
- All plans include pharmacy benefits and deductible options from \$250 to \$4,750
- All plans include on-demand virtual care and 24-hour nurse line

We handle the paperwork...

We offer consolidated billing, online payment, COBRA administration, and online access to benefits for easy enrollment throughout the year. Questions? Our knowledgeable, local staff are a phone call away.

Opportunities for additional cost savings:

All plan participants get access to the cost-savings offered by the Plan Sponsor, including savings on common office supplies, business services, and up to 50% off on retail ORCA passes.

Additional insurance can be purchased with your medical plan:
