ELIGIBILITY FOR COVERAGE

Enrollees: To be covered, a person must currently be an employee or member of the Client, and meet the coverage criteria established by Client.

Eligible Dependents: Any dependent of an Enrollee of Client who meets the eligibility criteria established by Client, if such dependent coverage is provided. This includes coverage for newborn infant children of Enrollees from and after the moment of birth, including but not limited to coverage for congenital anomalies.

HOW TO USE THIS PLAN

VSP provides Plan Benefits to Covered Persons based on the level of coverage purchased by the Client. Refer to the Schedule of Benefits and Additional Benefit Rider (if applicable) for specific Plan Benefits.

1. Contact VSP to obtain a list of participating providers, and/or to view available benefits, (see below for contact information).

2. Contact a VSP Network Provider's office to schedule an appointment and indicate that Covered Person is a VSP member. Should Covered Persons fail to identify themselves as VSP members, Plan Benefits shall be limited to those of an Open Access Provider, if such Plan Benefits are available.

3. Once the appointment is made, the VSP Network Provider will obtain benefit verification from VSP. The VSP Network Provider will bill VSP directly and the Covered Person is responsible for payment of any applicable Copayments, non-covered services or materials, or amounts which exceed plan allowances, and annual maximum benefits.

4. If the Policy includes Plan Benefits for Open Access Providers, Covered Person may be responsible for paying for all services and/or materials in full and submitting a claim to VSP. If an Open Access Provider agrees to submit a claim to VSP on behalf of Covered Person, VSP will reimburse the Provider directly if the claim includes a valid Assignment of Benefits. All reimbursement will be in accordance with the Open Access Provider fee schedule, less any applicable Copayment. Obtaining services from an Open Access Provider will typically result in higher out of pocket expenses for Covered Persons. All claims must be submitted to VSP within 365 calendar days from the date services are rendered and/or materials provided. Claims received by VSP after 365 days will be denied unless prohibited by applicable state or federal law.

EXCLUSIONS AND LIMITATIONS OF BENEFITS

This Plan is designed to cover visual needs rather than cosmetic materials.

Some vision care services and/or materials are not covered under this Plan and certain other limitations may apply. Please refer to the EXCLUSIONS AND LIMITATIONS OF BENEFITS section of the attached Schedule of Benefits and/or Additional Benefit Rider (when purchased by Client) for details.

COORDINATION OF BENEFITS

1. Coordination Of Benefits ("COB" herein): COB applies when a Covered Person has coverage under more than one Plan. Plan, for the purpose of this Coordination of Benefits Section, is defined below. The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary plan. The Primary plan must pay benefits according to its terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary plan is the Secondary plan. The Secondary plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable expense.

2. Definition Of Key Terms Used In This Coordination Of Benefits Section:

(a) A Plan is any of the following that provides benefits or services for medical care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts. However, if COB rules do not apply to all contracts, or to all benefits in the same contract, the contract or benefit to which COB does not apply is treated as a separate plan.

(1) Plan includes: Group, individual or blanket disability insurance contracts, and group or individual contracts issued by health care service contractors or health maintenance organizations (HMO), closed panel plans or other forms of group coverage; medical care components of long-term care contracts, such as skilled nursing care; and Medicare or any other federal governmental plan, as permitted by law.

(2) Plan does not include: Hospital indemnity or fixed payment coverage or other fixed indemnity or fixed payment coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for non-medical components of long-term care policies; automobile insurance policies required by statute to provide medical benefits; Medicare supplement policies; Medicaid coverage; or coverage under other federal governmental plans, unless permitted by law.

(3) Each contract for coverage under (1) or (2) is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

(b) This plan means, in a COB provision, the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other plans. Any other part of the contract providing health care benefits is separate from this plan. A contract may apply one COB provision to certain benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

(c) The order of benefit determination rules determine whether This plan is a Primary plan or Secondary plan when the person has health care coverage under more than one Plan. When This plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When This plan is secondary, it determines its benefits after those of another Plan and must make payment in an amount so that, when combined with the amount paid by the primary plan, the total benefits paid or provided by all plans for the claim equal 100% of the Total Allowable expense for that claim. This means that when this Plan is Secondary, it must pay the amount which, when combined with what the Primary plan paid, totals 100% of the highest Allowable expense. In addition, if this Plan is Secondary, it must calculate its savings and record these savings as a benefit reserve for the covered person. This reserve must be used to pay any expenses during that calendar year, whether or not they are an Allowable expense under this Plan. If this Plan is Secondary, it will not be required to pay an amount in excess of its maximum benefit plus any accrued savings.

(d) Allowable expense is a health care expense, including deductibles, coinsurance and copayments, that is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable expense.

(e) Closed panel plan is a Plan that provides health care benefits to covered persons in the form of services through a panel of providers who are primarily employed by the Plan, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.

(f) Custodial parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

3. Order Of Benefit Determination Rules: When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

(a) The Primary plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other Plan.

(b) (1) Except as provided in subsection (2), a Plan that does not contain a coordination of benefits provision that is consistent with this chapter is always primary unless the provisions of both Plans state that the complying plan is primary.

(2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage is excess to any other parts of the Plan provided by the contract holder.

(c) A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.

(d) Each Plan determines its order of benefits using the first of the following rules that apply:

(1) Non-Dependent or Dependent. The Plan that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the Primary plan and the Plan that covers the person as a dependent is the Secondary plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent, and primary to the Plan covering the person as other than a dependent, then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary plan and the other Plan is the Primary plan.

(2) Dependent Child Covered Under More Than One Plan. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows:

(a) For a dependent child whose parents are married or are living together, whether or not they have ever been married: The Plan of the parent whose birthday falls earlier in the calendar year is the Primary plan; or if both parents have the same birthday, the Plan that has covered the parent the longest is the Primary plan.

(b) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:

(i) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to claim determination periods commencing after the Plan is given notice of the court decree;

(ii) If a court decree states one parent is to assume primary financial responsibility for the dependent child but does not mention responsibility for health care expenses, the plan of the parent assuming financial responsibility is primary;

(iii) If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of subparagraph (a) above determine the order of benefits;

(iv) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of subsection (a) above determine the order of benefits; or

(v) If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:

- The Plan covering the Custodial parent, first;
- The Plan covering the spouse of the Custodial parent, second;
- The Plan covering the non-custodial parent, third; and then
- The Plan covering the spouse of the non-custodial parent, last

(c) For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of subsection (a) or (b) above determine the order of benefits as if those individuals were the parents of the child.

(3) Active Employee or Retired or Laid-off Employee. The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary plan. The Plan covering that same person as a retired or laid-off employee is the Secondary plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under section D(1) can determine the order of benefits.

(4) COBRA or State Continuation Coverage. If a person whose coverage is provided under COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary plan and the COBRA or state or other federal continuation coverage is the Secondary plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under section D(1) can determine the order of benefits.

(5) Longer or Shorter Length of Coverage. The Plan that covered the person as an employee, member, policyholder, subscriber or retiree longer is the Primary plan and the Plan that covered the person the shorter period of time is the Secondary plan.

(6) If the preceding rules do not determine the order of benefits, the Allowable expenses must be shared equally between the Plans meeting the definition of Plan. In addition, This plan will not pay more than it would have paid had it been the Primary plan.

4. Effect Of The Benefits Of This Plan: When This plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a claim determination period are not more than the total Allowable expenses. In determining the amount to be paid for any claim, the Secondary plan must make payment in an amount so that, when combined with the amount paid by the primary plan, the total benefits paid or provided by all plans for the claim equal one hundred percent of the total Allowable expense for that claim Total Allowable expense is the highest Allowable expense of the Primary plan or the Secondary plan. In addition, the Secondary plan must credit to its plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

5. Right To Receive And Release Needed Information: Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under This plan and other Plans. VSP may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under This plan and other Plans covering the person claiming benefits. VSP need not tell, or get the consent of, any person to do this. Each person claiming benefits under This plan must give VSP any facts it needs to apply those rules and determine benefits payable.

6. Facility Of Payment: If payments that should have been made under This plan are made by another Plan, the issuer has the right, at its discretion, to remit to the other Plan the amount it determines appropriate to satisfy the intent of this provision. The amounts paid to the other Plan are considered benefits paid under This plan. To the extent of such payments, the issuer is fully discharged from liability under This plan.

7. Right Of Recovery: The issuer has the right to recover excess payment whenever it has paid allowable expenses in excess of the maximum amount of payment necessary to satisfy the intent of this provision. The issuer may recover excess payment from any person to whom or for whom payment was made or any other issuers or plans.

URGENT VISION CARE

Services for conditions of a medical nature are covered by VSP only under specific supplemental eye care Plans purchased by Client. If Client purchased one of these plans, such coverage will be evidenced in an Additional Benefit Rider. When vision care is necessary for Urgent Conditions, Covered Persons with a supplemental eye care plan may obtain Plan Benefits by contacting a VSP Network Provider or Open Access Provider. No prior approval from VSP is required for the Covered Person to obtain vision care for Urgent Conditions of a medical nature. If Client has not purchased one of these plans, Covered Persons are not covered by VSP for medical services and should contact a physician under Covered Persons' medical insurance plan for care.

HOLD HARMLESS

Covered Persons shall be held harmless for any sums owed by VSP to the VSP Network Provider, other than those sums not covered by the Plan.

COMPLAINTS AND GRIEVANCES

Covered Persons have the right to expect quality care from VSP Network Providers. More information is available under "Patient's Rights and Responsibilities" on VSP's web site at www.vsp.com. Complaints and grievances are disagreements regarding access to care, quality of care, treatment or service. Covered Persons may submit any complaints and/or grievances, including appeals, in writing to VSP at 3333 Quality Drive, Rancho Cordova, CA 95670-7985 or verbally by calling VSP's Customer Care Division at 1-800-877-7195. VSP will resolve the complaint or grievance within thirty (30) calendar days after receipt, unless special circumstances require an extension of time. In that case, resolution shall be achieved as soon as possible, but not later than one hundred twenty (120) calendar days after VSP's receipt of the complaint or grievance. If VSP determines that resolution cannot be achieved within thirty (30) days, VSP will notify the Covered Person of the expected resolution date. Upon final resolution VSP will notify the Covered Person of the outcome in writing.

APPEALS OF ADVERSE DETERMINATIONS

A Covered Person must submit an appeal of an Adverse Determination in writing. VSP will reconsider its decision within fourteen (14) days of receipt of the appeal unless VSP notifies the Covered Person that an extension is necessary to complete the appeal. The extension will not delay the decision beyond thirty (30) days of the request for an appeal without the Covered Person's written consent. In the event that a delay would jeopardize the health of a Covered Person, VSP will issue a decision within seventy-two (72) hours after receipt of the appeal. Adverse Determination Appeals follow the same reviewer qualifications standards set forth in Section 5.06 of the Plan Document.

CLAIM PAYMENTS AND DENIALS

Initial Determination: VSP will pay or deny claims within thirty (30) calendar days of receipt. In the event that a claim cannot be resolved within the time indicated VSP may, if necessary, extend the time for decision by no more than fifteen (15) calendar days.

Claim Denial Appeals: If a claim is denied in whole or in part, under the terms of the Policy, Covered Person or Covered Person's authorized representative may submit a request for a full review of the denial. Covered Person may designate any person, including their provider, as their authorized representative. References in this section to "Covered Person" include Covered Person's authorized representative, where applicable.

Initial Appeal: The request for review must be made within one hundred eighty (180) calendar days following denial of a claim and should contain sufficient information to identify the claim and the Covered Person affected by the denial. The Covered Person may review, during normal working hours, any documents held by VSP pertinent to the denial. The Covered Person may also submit written comments or supporting documentation concerning the claim to assist in VSP's review. VSP's response to the initial appeal, including specific reasons for the decision, shall be provided and communicated to the Covered Person within thirty (30) calendar days after receipt of a request for an appeal from the Covered Person.

Second Level Appeal: If Covered Person disagrees with the response to the initial appeal of the denied claim, Covered Person has the right to a second level appeal. Within sixty (60) calendar days after receipt of VSP's response to the initial appeal, Covered Person may submit a second appeal to VSP along with any pertinent documentation. VSP shall communicate its final determination to Covered Person in compliance with all applicable state and federal laws and regulations and shall include the specific reasons for the determination.

Other Remedies: When Covered Person has completed the appeals stated herein, additional voluntary alternative dispute resolution options may be available, including mediation or arbitration. Covered Person may contact the U. S. Department of Labor or the State insurance regulatory agency for details. Additionally, under the provisions of ERISA (Section 502(a) (1) (B) [29 U.S.C. 1132(a) (1) (B)], Covered Person has the right to bring a civil action when all available levels of reviews, including the appeal process, have been completed, the claims were not approved in whole or in part, and Covered Person disagrees with the outcome.

Time of Action: No action in law or in equity shall be brought to recover on the Policy prior to the Covered Person exhausting his/her grievance rights under the Policy and/or prior to the expiration of sixty (60) days after the claim and any applicable documentation have been filed with VSP. No such action shall be brought after the expiration of any applicable statute of limitations, in accordance with the terms of the Policy.

CLAIM APPEALS FOR SERVICES OF AN EXPERIMENTAL NATURE

In the event a claim is denied because the vision services requested are of an experimental nature, that appeal determination will be made within twenty (20) working days of receipt of the fully documented appeal. This review period may be extended beyond twenty (20) working days upon written consent of the Covered Person. A person qualified by reasons of training, experience and medical expertise to evaluate it will review the appeal. The person reviewing the appeal will not be the same person who made the initial decision to deny benefits. The Covered Person will be notified of the result of the appeal in writing, which will include the basis for the decision, the name of the reviewer and that person's professional qualifications. In the event that a delay would jeopardize the health of a Covered Person, VSP will issue a decision within seventy-two (72) hours after receipt of the appeal.

INDIVIDUAL CONTINUATION OF BENEFITS

In the event this Plan is terminated, VSP coverage may be available for individuals to purchase online www.vsp.com.

LABOR DISPUTES

If an Enrollee's compensation is suspended or terminated directly or indirectly as the result of a strike, lockout, or other labor dispute, the Enrollee may pay any premiums due directly to the Group for a period not exceeding six months and at the rate and coverages that the Plan contract provides.

THE CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT OF 1985 (COBRA)

The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) requires that under certain circumstances health plan benefits available to an eligible participant and his or her dependents be made available to said persons upon the termination of employment of said participant, or the termination of the relationship between said participant and his or her dependents. ("VSP") are entitled, subject to any applicable Copayments and other conditions, limitations and/or exclusions stated herein or in the Schedule of Benefits with which it is associated. Plan Benefits under the Diabetic Eyecare Plus Program are available to Covered Persons who have been diagnosed with type 1 or type 2 diabetes, glaucoma or age-related macular degeneration (AMD) and specific ophthalmological conditions. This Rider forms a part of the Policy or Evidence of Coverage to which it is attached.

PROGRAM DESCRIPTION

PROCEDURES FOR OBTAINING DIABETIC EYECARE PLUS SERVICES

COVERED PERSON HAS A GROUP MEDICAL PLAN

The DEP Plus Program provides coverage for certain vision-related medical services as a supplement to Covered Person's group medical plan. Covered Persons should refer to the plan booklet, certificate of coverage or other benefits description for their group medical plan to determine how to obtain plan benefits.

The provider should first submit a claim to Covered Person's group medical insurance plan. Any amounts not paid by the medical plan may then be considered for payment by VSP. (This is referred to as "Coordination of Benefits" or "COB." Please refer to the Coordination of Benefits section of Covered Person's Evidence of Coverage for additional information regarding COB.)

COVERED PERSON DOES NOT HAVE A GROUP MEDICAL PLAN

When Covered Person does not have a group medical plan, the DEP Plus Program provides Plan Benefits as follows:

1. Covered Person contacts a VSP Network Provider and makes an appointment.
2. Covered Person pays the applicable Copayment at the time of each DEP Plus Program visit and amounts for any additional services not covered by the Plan.

REFERRALS

If Covered Person's VSP Network Provider cannot provide Covered Services, the doctor will refer the Covered Person to another VSP Network Provider or to a physician whose offices provide the necessary services.

If the Covered Person requires services beyond the scope of DEP Plus, the VSP Network Provider will refer the Covered Person to a physician.

Referrals are intended to insure that Covered Persons receive the appropriate level of care for their presenting condition. **Covered Persons do not require a referral from a VSP Network Provider in order to obtain Plan Benefits.**
