

CUPERTINO ELECTRIC INC. NOTICE REGARDING WELLNESS PROGRAM 2019/2020

Cupertino Electric’s Wellness Program is a voluntary wellness program available to all Non-Union, regular full-time employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program, you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include a finger stick blood test for Cholesterol (LDL, HDL and Total), Triglycerides, Glucose, Blood Pressure, Tobacco Self-Attestation, BMI and Waist Circumference. Fasting is strongly encouraged for the screenings and employees must meet at least 3 out of the 7 Healthy Values listed below to satisfy the goals of the Wellness Requirement:

Test Criteria	Healthy Values
Total Cholesterol	< 200 mg/dl
HDL Cholesterol	≥ 40 mg/dl (men) ≥ 50 mg/dl (women)
Total Cholesterol / HDL Ratio	≤ 3.5
Glucose	Fasting* < 100 mg/dl Non-fasting < 140 mg/dl
Blood Pressure	< 130/80 mmHg
Tobacco	non-user
Body Mass Index (BMI)	< 30

**Values only available if fasting screen is utilized.*

You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive an incentive of \$50 per month medical premium discount for achieving certain health outcomes. The outcomes are achieving normal levels in 3 out of the 7 medical criteria above, including whether or not you use tobacco products. Negative use of tobacco products is considered a positive completion of a normal value. Although you are not required to complete the HRA or participate in the biometric screening, only employees who do so will receive the \$50 per month medical premium discount incentive.

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable alternative standard by contacting the Benefits

team Benefits@CEI.com or Interactive Health's Member Services Department at (410) 363-4948.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as discounts for health clubs. You are encouraged to share your results or concerns with your own doctor.
